

FRIDAY ROUND UP – 11.09.20

Welcome back to school, and welcome to new parents. The Roundup is where we inform you of events/information that you need to be aware of. It is sent once a week as we don't wish to fill your inbox with numerous messages.

School Photos

Following our ParentMail, this is just a reminder that on Monday 14th September our school photographer will be in school to take individual photos of the children. We would therefore, kindly ask that all children come to school in their full uniform including sweatshirts and ties. Girls must have their hair tied back or up as they would do for a normal school day.

All children who are due to have a PE lesson will be having a modified PE lesson and will need to come in to school in their full uniform.

Intake2020 Email Address

Now that all parents have access to parentmail, and are able to email the office using the email address office@cranbornemid.dorset.sch.uk, please note that we have closed the intake2020 email account down.

Medication

If you require us to keep medication in school for your child, please can we ask you to ensure it is sent to the school office for safe keeping. If you have not yet completed a medication authorisation form, these can be downloaded from the school website.

School Uniform

We are pleased to inform you that SWI are now able to start delivering school uniform orders directly to school. This, we hope, will assist parents as it will avoid having to pay additional delivery charges. Full details can be found on their website when placing an order.

<https://www.swischoolwear.co.uk>

We do still have limited stocks of our old style uniform which is available to purchase with a 30% discount. These items can be purchased via ParentMail, and will then be sent home with your child in the usual way.

Road Users

Please be aware that the road through the village and up to school is extremely busy at the beginning and end of the school day. Please:

- be considerate of other road users
- take special care where children are trying to cross the road.
- do not park on the yellow zigzag lines outside the school entrance, not even to drop your child/ren off. This can be very hazardous to all concerned.
- where possible, please give way to bus drivers to avoid the village being congested with traffic.

Contact Information

Please can we ask you to ensure that we are holding the correct telephone contact numbers for your child. It is very important that we have the correct numbers in case your child becomes unwell. Any changes can be made by notifying the school office or by email. Alternatively, changes can be made via the SIMs Parent Lite App.
