Dear future friend in year four,

I hope you are okay and not too nervous about coming to CMS. I remember feeling a bit weird about meeting my classmates and my teacher, so I know how you feel. I want to explain a little bit about what it's like to be a pupil in Cranborne Middle school and how I found the first few days. When it was my first day at school, my mum drove me down to the bus stop and we waited for the bus. When it came we got to pick a seat anywhere except the very back and the front. Then we picked up everyone else and you can bring stuff to play with on the bus too. When we arrived we went into the playground and we played. But if it's raining we would go in the hall and talk to your friends. You will also get a diary and you need to bring a reading book or you can get one from the library. You will have really fun lessons. You will be in a class with some of your friends.

I hope you have fun at CMS.

From Kiara.
