

Attention all parents! Communicating with you is an important part of what we do, making sure you get the correct information about activities, events and school news that really matters is something we care about.

The school uses ParentMail, a service used by over 6,000 schools, nurseries and children's clubs to communicate to parents.

Please include your mobile telephone number and email address on the Data Collection Sheet, ensuring it is clear and easy to read. Once the office staff have inputted the information, you will receive a communication from Parentmail, inviting you to confirm the details are correct. You will then be able to receive communications electronically, rather than in paper format. You will also be able to make payments to the school for uniform, trips, locker keys etc on line.

We'd like to encourage all parents to download the APP as there are a number of benefits both to you and the school:

- You don't need to login to pick up messages or attachments when you use the App.
- The App stores all the messages we send to you in one place.
- Every message sent arrives as an instant alert on your mobile.
- You help save us money!
- You can download the App for free from the AppStore or Googleplay.
