

Cranborne Middle School  
Dorset  
May 2020

Dear Future Friend in Year 4,

I hope you're excited to start Cranborne Middle School.

Middle school has a variety of different classes. My favourite is design technology where I have done woodwork and cooking which inspired me to cook at home, plus all the teachers are amazing.

You get a timetable and a futuristic diary and you get a free locker (you have to provide your own padlock). The snack time food is the best.

Demerits are rare to be handed out; it's mainly epraise points which are given out for positive behaviour and Wowing work!

You can get accolades on epraise and with epraise points you can purchase an entry to a prize draw.

This year flew by and I've made lots of good friends.

Wish you a good time, don't worry because it is the best school.

From Sam
