RE: Year 8 Reward Scheme – ‘One Hundred Percent’

Dear Parent/Carer,

As you will be aware, your child is moving quickly towards the end of their time at Cranborne Middle School. They will by now be getting very excited about the future and the next phase of their education – as well as feeling a little remorseful at the prospect of leaving a school which has been a big part of their lives for several years.

We are very keen to ensure that their final weeks are positive and enjoyable - a fitting end to a successful educational experience with us! However, as I am sure you will appreciate, this is the time of the year when Year 8 pupils are most likely to be a little unfocussed – high spirits can at times lead to some challenging behaviours.

In order to support and encourage the Year 8 pupils to continue with their positive attitude to learning and behaviour we have devised a special reward scheme which will be in effect starting the w/b 23rd May . Your child will be issued with a card that lists the different rewards on offer - such as Y8 only non-uniform days, raffle prizes and, of course, the dazzling Prom - and the number of signatures required to earn them. As your child goes through the upcoming weeks, they will be required to collect signatures from teaching staff on their card – signatures awarded for making a positive contribution to their lessons and to school life. The more signatures earned, the greater their reward! Students will be able to prioritise the rewards on offer and thus earn the rewards they value the most first. Please note, there is no guarantee that every student will earn every reward so it is up to them to decide how they allocate their signatures.

I'm sure you can see how this scheme is seeking to make a real, positive difference to your child's final term at Cranborne. Please contact your child's tutor or ourselves should you have any questions.

Yours sincerely,

Mrs Williams & Mrs Bedford
